### Accessibility and Logistics

Please note that if your group size drops below 15 we do ask for a minimum payment to the NGS charities of £52.50 (equivalent to 15 \* £3.50). Penny will be happy to give you an introductory talk about the garden and its development and will be available to answer questions and help you with plant sales. The garden paths are grass and wood mulch with some mild inclines and are not wheelchair accessible. Cold Cotes is quite high and can be cooler and breezier than nearby towns so if you are visiting in the evening or early in the season we recommend you bring a jacket. We are looking forward to seeing you!
